**THE BOMA CALGARY
FOUNDATION™**

The BOMA Calgary Foundation is an independent, charitable organization dedicated to supporting the people of Calgary and area. Formed by BOMA Calgary in 2011, the Foundation works closely with the public as well as Calgary's professional industries.

Our mission is to create opportunities, provide financial assistance and support the communities in which we live and work.

COMMUNITY INITIATIVES

Community is the cornerstone of the BOMA Calgary Foundation. We exist in order to make a positive change in the lives of those in need, and help create a better, more caring city. One way in which we support our communities is by donating financially to not-for-profit organizations.

EDUCATIONAL INITIATIVES

The BOMA Calgary Foundation provides funding for low-income individuals who seek education, training and/or skill upgrading in order to succeed in their desired careers. By initiating scholarship programs with Calgary institutions and private organizations, the BOMA Calgary Foundation provides opportunity to qualified individuals.
